

	Comprehension 20/30 mins	Writing 1 hr	Maths 1hr	Curriculum 1 hr	Zoom
Mon	<p>The Firework Maker's Daughter by Phillip Pullman https://classroom.thenational.academy/lessons/to-engage-with-the-text-c9h3je Engage with a new text and practise strategies for understanding unfamiliar vocabulary.</p>	<p>https://classroom.thenational.academy/lessons/to-understand-and-order-the-story-of-a-picture-book-75k38r Explore what fables are and read a modern fable by Oliver Jeffers called the Fate of Fausto. Consider the themes of the fable and then revise the structure of a story and order sections of the story on a 'story staircase'.</p>	<p>https://classroom.thenational.academy/lessons/to-describe-the-part-whole-relationship-c5k62r Explore and describe the part-whole relationship. Look at what a whole is and various examples in real-life situations.</p>	<p>Geography https://classroom.thenational.academy/lessons/what-is-globalisation-c8tk2e What globalisation means and then explore the different views on when globalisation began. Finally, learn about why transport has been important for globalisation.</p>	<p>Call between 2.00 and 2.30pm</p>
	<p>The British by Benjamin Zephaniah https://classroom.thenational.academy/lessons/to-learn-about-a-poet-and-the-historical-context-of-a-poem-74u3ec Learn about the poet Benjamin Zephaniah and the historical context behind his poem The British.</p>	<p>https://classroom.thenational.academy/lessons/to-build-knowledge-of-the-historical-context-of-the-play-macbeth-6ngker Look at the author William Shakespeare and the time period in which the play, 'Macbeth', was written. Explore different types of plays and end on a brief introduction into the play.</p>	<p>https://classroom.thenational.academy/lessons/fractions-represent-multiplication-with-proper-fractions-c9h64e Build on your conceptual understanding of calculating with fractions, focusing on multiplication (of two proper fractions) and division (of a common fraction by an integer). In today's lesson, we will represent multiplication of a fraction and integer, reason about multiplication and seek patterns.</p>		
Tues	<p>https://classroom.thenational.academy/lessons/to-answer-questions-on-the-text-orally-and-in-written-form-c5jk6d Answer retrieval and inference questions.</p>	<p>https://classroom.thenational.academy/lessons/to-investigate-suffixes-ly-suffix-6crpcr Explore the rules associated with adding the suffix -ly. 10 spelling words will be explained and set to learn.</p>	<p>https://classroom.thenational.academy/lessons/to-recognise-parts-that-are-equal-and-parts-that-are-unequal-70rpcd Build upon our understanding of the whole and parts of a whole. Explore the ideas around equal and unequal parts, using drawings and</p>	<p>PE 1 hour of PE – follow Jo Wicks or choose your own activity. In school we will be practising PE skills.</p>	

			practical resources to help and support us.		
	https://classroom.thenational.academy/lessons/to-read-and-analyse-a-poem-68u30c Analyse a poem and the way it is written.	https://classroom.thenational.academy/lessons/to-investigate-c-making-soft-and-hard-sounds-74wk0c investigate the difference between a soft and hard c, exploring the vowels that usually follow a soft c and the vowels that follow a hard c.	https://classroom.thenational.academy/lessons/fractions-multiply-pairs-of-proper-fractions-c4rp4r Learn the procedure for multiplying fractions and express the products in their simplest form or as a mixed number.	Computing https://classroom.thenational.academy/lessons/what-is-video-c4v68d Explore a brief history of moving images from still images in art to computer-generated imagery (CGI) and recorded video, learning that the purpose of video is to communicate a message to an audience, or to record an event.	
Wed	https://classroom.thenational.academy/lessons/to-analyse-a-character-6wv3gd Use inference questions to analyse the main character in the book.	https://classroom.thenational.academy/lessons/to-explore-word-classes-61qp6t Explore the four word classes of nouns, adjectives, verbs and adverbs. Consider their purpose and impact in writing and practise using them in our writing.	https://classroom.thenational.academy/lessons/to-recognise-identify-and-describe-unit-fractions-ccwpce Build on equal parts by looking at sharing amounts equally. Name the fractions, and use understanding of numerator, vinculum and denominator, write the fraction.	Music https://classroom.thenational.academy/lessons/body-percussion-basics-69j30t Getting to know the basics of body percussion.	
	https://classroom.thenational.academy/lessons/to-explore-the-writers-purpose-6nk3ed Discuss the writer's purpose for writing this poem and the reasons he made certain language choices.	https://classroom.thenational.academy/lessons/to-explore-using-the-simple-past-present-and-future-tense-c5h32d Look at the different tenses (past, present and future), then explore how verbs change when they are in the simple past if they are regular or irregular verbs.	https://classroom.thenational.academy/lessons/fractions-divide-a-proper-fraction-by-an-integer-6tikqd Connect fractions and division before learning the procedure for dividing a fraction by an integer.		Call between 1.00 and 1.30pm
Thurs	https://classroom.thenational.academy/lessons/to-	https://classroom.thenational.academy/lessons/to-	https://classroom.thenational.academy/lessons/to-	Science	Call between

	<p>explore-one-of-the-main-themes-6dk30d Explore one of the main themes of the book.</p>	<p>practise-the-four-types-of-simple-sentence-cmt62t Practise the four types of simple sentence: statements, questions, exclamations and commands.</p>	<p>find-unit-fractions-of-a-given-quantity-61k34t Focus on unit fractions by finding fractions in different contexts. Use pictorial representations alongside multiplication and division facts to solve a range of problems.</p>	<p>https://classroom.thenational.academy/lessons/what-conditions-could-we-change-to-investigate-the-growth-of-a-plant-cmv66t Learn about what plants need to grow. Then we will learn about variables in order to set up a simple experiment to test the effect of water on the growth of a plant.</p>	2.00 and 2.30pm
	<p>https://classroom.thenational.academy/lessons/to-answer-questions-on-a-poem-and-to-plan-my-own-poem-6qvkgc Answer questions on the poem itself and then begin the process of planning our own poem inspired by The British.</p>	<p>https://classroom.thenational.academy/lessons/to-analyse-the-opening-of-the-play-macbeth-c9h3cd Look at the text type features of a play - mainly the layout and how this is different to other text types. We will then read aloud the opening of the play and check for meaning of vocabulary. After that, we will picture the setting from reading the opening and draw our own interpretation of the settings. Lastly, we will write a sentence about the opening.</p>	<p>https://classroom.thenational.academy/lessons/fractons-multiply-and-divide-with-improper-fractions-74tk8c Learn strategies for multiplying and dividing with mixed numbers and improper fractions.</p>	<p>In school we're going to start a bean growing competition. If you want to join in please plant a runner bean today and look after it. Further instructions to follow.</p>	
Fri	<p>https://classroom.thenational.academy/lessons/to-explore-genre-6rr32t Analyse the genre of the book.</p>	<p>https://classroom.thenational.academy/lessons/to-develop-a-rich-understanding-of-words-associated-with-confidence-6gt66t Introduce new vocabulary, identify word pairs and synonyms and apply the vocabulary in sentences.</p>	<p>https://classroom.thenational.academy/lessons/to-describe-unit-and-non-unit-fractions-75jkac Use our knowledge and understanding of unit fractions to explore the idea of non-unit fractions. Use images and visual resources to help us with this.</p>	<p>RE https://classroom.thenational.academy/lessons/how-did-sikhism-begin-70vp8t Learning all about how the religion of Sikhism began with its founder Guru Nanak.</p>	
	<p>https://classroom.thenational.academy/lessons/to-write-my-own-recipe-poem-6dqk6c</p>	<p>https://classroom.thenational.academy/lessons/to-develop-a-rich-understanding-of-words-</p>	<p>https://classroom.thenational.academy/lessons/fractons-solve-fraction-</p>		Call between 2.00 and 2.30pm

	Write our own recipe-style poem about the perfect school.	associated-with-dark-and-rainy-weather-6mtp2r Introduce new vocabulary, identify word pairs and synonyms and apply the vocabulary in sentences.	problems-with-the-four-operations-cgrk0d revise calculating with fractions using the four operations and then apply this to word problems.

Key:

Year 3 and 4 work for English and Maths

Year 5 and 6 work for English and Maths

Work for everyone

Children can also complete rainbow maths each day. The sheets were attached to week one this lockdown. If you have not got them, please let me know and I can email them to you.

Children must also continue reading their own books, magazines and from areas of interest. They should read for a minimum of 20 minutes a day with no upper limit from me – except to go to sleep at night! I love to hear about the stories they're enjoying or new authors they've come across. They can tell me on zoom, or write their own book reviews.

I hope you all stay safe and well.

Mrs Greaves
